

Welcome to the Village of Oakwood Council

A Village Council meeting is...

The process of making and amending laws, developing policy and making decisions for governing by your Village citizens who have been elected. The Village Council meets the second and fourth Tuesdays of each month at 7:00 p.m. except the months of July and August when Council is on recess. Council meeting the second Tuesday in July and the fourth Tuesday in August.

The Council...

There are seven Council members. Each must live in the Village, five of which are elected by the electorate in the perspective ward, two of which are elected at-large.

The Council

1. Adopts and amends Village laws.
2. Determines Village policies and standards.
3. Determines how much money will be spent and for what purpose (appropriations).
4. Approves contracts and agreements.
5. Represents the Village.

The Agenda

The Council follows a regular order of business in the conduct of its meetings. The agenda is prepared in advance with ordinances, resolutions and other matters which have been investigated prior to inclusion on the agenda. Copies of the agenda are available from the Clerk of Council and in Council Chambers.

Council Action

Business presented to the Council is disposed of by one of the following actions:

ORDINANCES...

An ordinance or amendment to an ordinance is a "legislative act" and requires three readings at separate Council meetings after which it is published. Thirty days later it becomes law. However, if legislation is passed under suspension, it may be passed on first reaching and may become law upon the Mayor's signature. An ordinance is the most binding and permanent type of Council action and may be repealed or changed only by a subsequent ordinance.

RESOLUTIONS...

A resolution may be passed expressing the policy of the Council or directing certain types of administrative action. It requires only one reading and may easily be changed by a subsequent resolution.

MOTIONS...

A motion is ordinarily used to indicate majority approval of a procedural action such as to approve a report or recommendation. It may also be used to authorize administrative officials to take certain actions. A motion usually authorizes the disposition of items of business on the agenda.

REFERRAL...

When the Council is not prepared to make definitive action or when future study is needed, the Chair may refer the matter to the Mayor or Law Director or to an administrative official for investigation study and later report.

QUORUM...

Four members of Council constitute a quorum and may conduct Village business. Ordinances and Resolutions require four affirmative votes however, in order to suspend the rules and adopt an ordinance, five affirmative votes are required.

Debate on the Original Motion:

Once a vote on any amendment has been taken, debate returns to consideration of the original motion or on the original motion as amended.

Motion to Limit Debate:

The motion permits the group to set limits on the time allowable for discussion before voting. The motion to limit debate is not debatable. That is, if there is a second to the motion, the Chair must call for a vote. Since the motion to limit debate may infringe on the basic principle of freedom of discussion, a vote of two-thirds of those present is required. If the motion to limit debate is passed, the Chair must keep track of time, announce when the limit has been exhausted, and call for a vote on the motion under discussion. If discussion is not complete when the time limit has been exhausted, any member may move to table the motion which has been under discussion.

Definition of Motions

Main Motion

Only one before the group at a time; cannot be introduced when any other motion is before the group.

Motion to Amend

Changes a motion before it comes up for final vote; takes precedence over motion to which it applies. Limit – two amendments.

Substitute Motion

Amends by substituting another form, changed or additional wording.

Motion to Refer

Refers a question to a committee or person for further study/report back.

Motion to table

Temporarily puts aside motion being considered. Must be removed from table at that or next meeting (Not amendable or debatable).

Motion to Postpone Indefinitely

Same as tabling.

Motion to Reconsider

Action taken at same meeting to bring a question up again after it has been adopted or rejected. (Debatable but not amendable)

Motion to Rescind

Action taken at a later meeting to repeal previous action. (Amendable and debatable).

Motion to Adjourn

Ends all discussion at this meeting. (Not amendable or debatable.) According to Roberts Rules of Order Newly Revised, it is not necessary to officially adjourn a meeting. The Chair simply states, “Are there any other items to be discussed? Hearing none, the meeting is adjourned.”
